In the G.O. 1st read above, orders were issued fixing the uniform rate of hire charges to Private Vehicles. The General Elections are scheduled to be held in two phases i.e., on 16th and 23rd April, 2009 and there is a need to engage the hire vehicles for completion of the Election process.

2. The Transport Commissioner in his letter 2nd read above has suggested that keeping in view the escalation in hire charges due to increase in cost of transport and due to inflation and increase in Motor Vehicle taxes and increase of hire charges in local market, it is suggested to increase the existing hire charges etc., by 30% in respect of private motor vehicles requisitioned for ensuing General Elections, 2009. The hire charges are in addition to the fuel and lubricants given to the owner of the vehicles. He has also suggested the toll charges may be exempted in respect of the vehicles on election duty, and also for increase of batta to the drivers and conductors or cleaners and suggested the average Kilometerage for each category of vehicle, for supply of fuel and lubricants.

Government after careful consideration of the proposal of Transport Commissioner has decided to increase the hire rates to private vehicles at the rate of 25%, to allow the batta as proposed and not to supply the lubricants.
